## Independent Auditors' Report

To the Board of Directors of,  
Kids In Crisis, Inc.,

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the financial statements of Kids In Crisis, Inc. (a not for profit organization), (the Organization), which comprise the statements of financial position as of June 30, 2025 and 2024, and the related statements of activities and change in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements,

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Kids In Crisis, Inc. as of June 30, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

## Independent Auditors' Report (continued)

### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

## Independent Auditors' Report (continued)

### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 13, 2025 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

Kids In Crisis, Inc.  
Notes to Financial Statements  
For the Years Ended June 30, 2025 and 2024

**1. Nature of Organization**

Kids In Crisis, Inc. (Kids In Crisis or the Organization) provides free, 24-hour crisis intervention, counseling and emergency shelter services, as well as prevention programs in local communities, and advocacy throughout Connecticut. Kids In Crisis is the only emergency shelter in the state serving all children, newborn to 17 years of age. Since 1978, Kids In Crisis has helped more than 164,000 children and families, through a variety of in-house and community programming.

*Safe Haven (The Farmhouse & The Cottage)*

Kids In Crisis' 24-hour helpline, 203-661-1911 is staffed by trained Outreach crisis counselors available 24 hours a day to provide immediate crisis counseling, and to meet with children and their families in need, throughout Southwestern Connecticut.

For children who are no longer safe at home, Kids In Crisis provides SafeHaven for Kids, an emergency shelter with a safe, nurturing, and therapeutic environment. Every child in residence receives routine medical care, including a physical and mental health evaluation, and referrals to local doctors for specialized care. This medical support is provided through the on-site TLC Health Center, licensed by the Connecticut Department of Health and operated in partnership with Family Centers, Inc. In addition to medical and psychological care, Kids In Crisis also provides residents with individual, group and family counseling, educational advocacy and support to ensure long-term academic success. Aftercare is provided for three months following discharge.

*Community Services*

*SafeTalk* is an educational empowerment program, providing elementary school children and parents with child-friendly workshops designed to increase awareness about the signs of physical and verbal abuse, including bullying and cyber bullying, good touch/bad touch, as well as stranger danger, and providing tools to promote safety and wellbeing. The goal of the program is to have children feel "safe, strong and free."

*TeenTalk* is a program that places trained master's level crisis counselors in schools for middle and high school students. These counselors provide confidential support to adolescents who are struggling with personal problems, social and academic pressures, depression, anxiety, family conflict and drug and alcohol issues. In these times, when the mental health needs of students in the schools are reaching far beyond the capacity of the existing school resources and the number of traumatic crises impacting students and schools continues to rise, having a TeenTalk Counselor specifically trained and skilled in crisis intervention is not just helpful but more often critical. Kids In Crisis has 17 TeenTalk Programs throughout the area.

*ClubTalk* is a program primarily serving elementary and middle school students. It is currently afterschool program operating at the Boys and Girls Club of Greenwich where children receive onsite mental health counseling from a Kids In Crisis KidTalk Counselor, who also educates and guides staff, and collaborates closely with the children's schools and families.

Kids In Crisis, Inc.  
Notes to Financial Statements (continued)

**1. Nature of Organization (continued)**

*Community Services (continued)*

*KidTalk* is our program, similar to *TeenTalk*, that places trained master's level crisis counselors in schools for elementary school students. These counselors provide support to elementary age children who are struggling with personal problems, social and academic pressures, as well providing family support. This program is currently in one school in Greenwich.

*Lighthouse* is a welcoming, inclusive safe space where lesbian, gay, bi-sexual, transgender and questioning (LGBTQ) youth, and their allies meet weekly. Meetings currently take place in Stamford and Westport. In addition, Lighthouse provides ongoing educational forums and advocacy throughout the communities.

Kids In Crisis continues to be the Fairfield County sponsor of Safe Place, a national program that partners municipalities, businesses, and other local facilities to provide immediate help for any youths who may find themselves in the community when a crisis develops.

Kids In Crisis received a federal grant from Drug Free Communities to support the collaborative multi- strategy approach of Greenwich Together, which is coordinated/staffed by Kids In Crisis, to reduce youth substance abuse.

Kids In Crisis also continues to work with the Greenwich Police Department, the Greenwich Board of Education, and Greenwich Department of Human Services to implement two juvenile justice diversion/restorative justice programs: the Juvenile Review Board and the Interagency Team. Kids In Crisis provides case management and counseling for the youth involved in these programs.

Finally, Kids In Crisis partners with dozens of national, state, regional and local committees and task forces that advocate for children and families.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting and Presentation**

The accompanying financial statements have been prepared in accordance with Generally Accepted Accounting Principles in the United States (GAAP). The Organization reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. They are described as follows:

*Without Donor Restrictions* - Net assets that are not subject to donor-imposed restrictions. These funds are available for general operating purposes and/or to use at the discretion of the Board of Directors. From time to time the Board may designate a portion of these net assets for specific purposes which makes them unavailable for general use by Management. There are no Board designated funds at June 30, 2025 and 2024.

*With Donor Restrictions* - Net assets whose use is limited by donor-imposed, time and/or purpose restrictions. At June 30, 2025 and 2024, there were donor restricted net assets of \$4,189,557 and \$4,080,050, respectively.

Kids In Crisis, Inc.  
Notes to Financial Statements (continued)

## 2. Summary of Significant Accounting Policies (continued)

### Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### Cash and Cash Equivalents

The Organization considers all highly liquid investments with an original maturity of three months or less to be cash equivalents.

### Investments

Investments, which consist principally of marketable equity securities, exchange transaction products and mutual funds are measured at fair value on the statements of financial position. Kids In Crisis reports investment income and gains and losses as increases or decreases in net assets without donor restrictions in the statements of activities and changes in net assets unless a donor or law restricts their use. Investments are managed in accordance with board-approved investment and spending policies. Investment expenses are offset against investment return which is presented on the face of statements of activities and changes in net assets.

### Fair Value Measurements

The Organization classifies its investments in accordance with FASB ASC 820, *Fair Value Measurements and Disclosures*, which defines fair value, establishes a framework for measuring fair value under GAAP and requires certain disclosures about fair value measurements. The definition of fair value under FASB ASC 820 focuses on the price that would be received to sell the asset, which is referred to as the exit price. The fair value hierarchy is organized into three levels based upon the assumptions (referred to as inputs) used in pricing the asset or liability, as follows:

Level 1: Inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

Level 2: Inputs are other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, with fair value being determined through the use of models or other valuation methodologies.

Level 3: Inputs are unobservable inputs for the asset or liability and are used to the extent that observable inputs do not exist. Level 3 inputs require significant management judgment and estimation. Factors considered include the purchase cost, prices of recent private placements of the same issuer, liquidity of the investment, changes in financial condition of the issuer, and valuations of similar companies.

Kids In Crisis, Inc.  
Notes to Financial Statements (continued)

## **2. Summary of Significant Accounting Policies (continued)**

### **Endowment**

The Organization's Board of Directors has interpreted the State of Connecticut's Uniform Prudent Management of Institutional Funds Act (CUPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Organization classifies as with donor restrictions net assets (a) the original value of gifts donated to the with donor restrictions endowment, (b) the original value of subsequent gifts to the with donor restrictions endowment, and (c) accumulations, if any, to the with donor restrictions endowment made in accordance with the direction of the applicable gift instrument at the time the accumulation is added to the fund.

Investments are managed in accordance with the Organization's board-approved investment and spending policies. The primary investment objective is to preserve capital and minimize investment risk. The Organization has a policy of appropriating all income earned annually on the endowment for current year operations.

### **Promises to Give**

Unconditional promises to give expected to be collected in one year or less are recognized as revenue in the period received at net realizable value and as assets or as decreases of liabilities or expenses, depending on the form of the benefits received. Unconditional promises to give that are expected to be collected in greater than one year are recorded at the present value of their estimated future cash flows. Conditional promises to give are recognized when the conditions on which they depend are substantially met. Management considers past history, current economic conditions and overall viability of the third party when considering the need for an allowance. Contributions receivable are written off when management determines amounts will not be collected. There were no allowances for accounts and grants receivable.

### **Property and Equipment**

Property and equipment are capitalized at cost, if purchased, or at estimated fair value on the date of gift, if donated. Acquisitions of property and equipment whose useful life is greater than one year are capitalized as incurred. Property and equipment are depreciated using the straight-line method based on their respective estimated useful lives ranging from three to thirty-five years. Repairs and maintenance to existing facilities are expensed as incurred.

### **Impairment of Long-Lived Assets**

In accordance with FASB ASC 360-10, *Accounting for the Impairment or Disposal of Long-Lived Assets*, the Organization reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. No impairment losses were recognized for the years ended June 30, 2025 and 2024.

Kids In Crisis, Inc.  
Notes to Financial Statements (continued)

**2. Summary of Significant Accounting Policies (continued)**

**Revenue Recognition**

*Government Support*

Certain grants and contracts are on a fee-for-service basis where revenue is recognized when earned. Expenditure-driven grant revenue (i.e., the Organization must first incur the expenditure as a basis for reimbursement) is recognized when the related expenditure is incurred. Multi-year governmental included under government grants are cancellable by the funder upon its sole discretion. Governmental grants are recognized as revenue when the barriers within the contract are overcome and there is no longer a right to return.

*Contributions*

Contributions are defined as voluntary, nonreciprocal transfers. Unconditional contributions are recognized when received or when pledged. A conditional contribution is a transaction where the Organization has to overcome a barrier or hurdle to be entitled to the resource, and the right of return of any advance funding is required. Conditional contributions are recognized as revenue when the condition is met or satisfied.

Contributions are recorded as donations with or without restriction depending on the existence and/or nature of any donor restrictions. Donor-restricted support is reported as an increase in net assets with donor restrictions, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction for the expires (satisfied) in the reporting period in which the support is recognized.

*Special Events*

Revenue is recognized for special events and fundraising upon the event occurring.

*Contributed Non-Financial Assets*

A significant number of volunteers donate their time in the furtherance of the Organization's programs and activities. Volunteers perform various administrative, programming, and fundraising functions. However, the value of these services is not recognized in the financial statements unless the donated service received creates or enhances non-financial assets or requires specialized skills that would typically need to be purchased if not provided by contribution. In addition, in-kind contributions are measured at the fair value of the assets transferred to the Organization to the extent the Organization would have purchased the merchandise.

Kids In Crisis, Inc.  
Notes to Financial Statements (continued)

## 2. Summary of Significant Accounting Policies (continued)

### Functional Expenses

The costs of providing various programs and other activities have been summarized on a functional basis in the accompanying statements of activities and changes in net assets, and functional expenses. The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, these expenses require allocations on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy and depreciation, which are based on a square footage basis, as well as salaries, benefits, payroll taxes, consultants/contract services, food and residents' expenses, program and household supplies, which are allocated on the basis of estimates of time and effort. Office supplies, telephone, postage and shipping, publication and mailing are based on staff usage.

### 3. Promises to Give

Promises to give at June 30 represent unconditional promises to give as follows:

	2025	2024
Amount due in one year or less	\$ 136,773	\$ 220,396
Amount due in two to five years	-	50,000
Total promises to give, net	<u>\$ 136,773</u>	<u>\$ 270,396</u>

### 4. Investments

The tables below set forth by level, within the fair value hierarchy, the market value of the Organization's investments at year end:

	June 30, 2025			
	Level 1	Level 2	Level 3	Total
Equity funds	\$ 5,293,772	\$ -	\$ -	\$ 5,293,772
Fixed income funds	4,078,204	-	-	4,078,204
Total investments at fair value	<u>\$ 9,371,976</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 9,371,976</u>
	June 30, 2024			
	Level 1	Level 2	Level 3	Total
Equity funds	\$ 4,430,873	\$ -	\$ -	\$ 4,430,873
Fixed income funds	3,637,356	-	-	3,637,356
Investments measured at fair value	<u>\$ 8,068,229</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,068,229</u>
Investments measured at NAV as a practical expedient				399,000
Total investments at fair value				<u>\$ 8,467,229</u>

Kids In Crisis, Inc.  
Notes to Financial Statements (continued)

**4. Investments (continued)**

The following table summarizes investments measured at fair value based on net asset values (NAVs) per share:

<b>June 30, 2025</b>				
	<b>Fair Market Value</b>	<b>Unfunded Commitment</b>	<b>Redemption Frequency</b>	<b>Redemption Notice Period</b>
Investments held by SEG Partners LP	<u>\$ -</u>	N/A	Quarterly	45 calendar days

  

<b>June 30, 2024</b>				
	<b>Fair Market Value</b>	<b>Unfunded Commitment</b>	<b>Redemption Frequency</b>	<b>Redemption Notice Period</b>
Investments held by SEG Partners LP	<u>\$ 399,000</u>	N/A	Quarterly	45 calendar days

SEG Partners LP - The Partnership's investment objective: absolute returns, commensurate with or greater than, and at lower volatility than relevant equity market indices (S&P 500), by investing across a diversified set of sectors.

Investment return was comprised of the following for the years ended June 30:

	<b>2025</b>	<b>2024</b>
Interest and dividend income	\$ 190,453	\$ 360,948
Net realized and unrealized gains	783,346	441,791
Less: investment fees	(45,771)	(79,393)
Total investment return	<u>\$ 928,028</u>	<u>\$ 723,346</u>

**5. Property and Equipment**

Property and equipment consist of the following at June 30:

	<b>2025</b>	<b>2024</b>
Land	\$ 1,236,000	\$ 1,236,000
Building	2,162,932	2,162,932
Building improvements	3,919,922	3,871,026
Furniture and fixtures	380,358	380,358
Vehicles	122,714	122,714
Construction in progress	40,000	40,000
	<u>7,861,926</u>	<u>7,813,030</u>
Less: accumulated depreciation	(4,794,882)	(4,603,177)
Total Property and Equipment	<u>\$ 3,067,044</u>	<u>\$ 3,209,853</u>

Depreciation expense for the years ended June 30, 2025 and 2024, was \$191,705 and \$251,894, respectively.

Kids In Crisis, Inc.  
Notes to Financial Statements (continued)

**6. Contributed Nonfinancial Assets**

Contributed nonfinancial assets recognized within the statements of activities and changes in net assets included the following at June 30:

	<u>2025</u>	<u>2024</u>
Professional services	\$ 103,970	\$ 79,018

Professional services recognized comprise of landscaping services. These services were valued and reported at the estimated fair value in the financial statements based on current rates for similar landscaping services.

**7. Net Assets**

Net assets with donor restrictions were available for the following purposes as of June 30:

	<u>2025</u>	<u>2024</u>
Capital projects	\$ 1,189,611	\$ 1,238,507
Time restricted	44,177	159,377
Aftercare	37,689	37,689
Subtotal of Purpose and Time Restricted Net Assets	<u>\$ 1,271,477</u>	<u>\$ 1,435,573</u>
Perpetual Net Assets (Endowment)	<u>2025</u>	<u>2024</u>
Available for general operations	\$ 2,618,537	\$ 2,373,020
Restricted to support education	128,699	116,632
Restricted to support the medical program	170,843	154,825
Subtotal of Perpetual Net Assets (Endowment)	<u>2,918,080</u>	<u>2,644,477</u>
Total Net Assets with Donor Restrictions	<u>\$ 4,189,557</u>	<u>\$ 4,080,050</u>

Changes in endowment, which consist of perpetual net assets with donor restrictions only, for the years ended June 30 were as follows:

	<u>2025</u>	<u>2024</u>
Endowment, beginning of year	\$ 2,644,477	\$ 2,436,340
Investment income, net	273,603	208,137
Endowment, end of year	<u>\$ 2,918,080</u>	<u>\$ 2,644,477</u>

At June 30, 2025 and 2024, funds with original gift values of \$2,803,216, fair values of \$2,918,080 and \$2,644,477, respectively, and a surplus of \$114,864 and deficiency of \$158,739, respectively were reported in net assets with donor restrictions.

Kids In Crisis, Inc.  
Notes to Financial Statements (continued)

**8. Tax Deferred Annuity Plan**

The Organization maintains a tax-deferred annuity plan qualified under Section 403(b) of the Internal Revenue Code. The plan covers all full-time employees with over one year of service and part-time employees with at least one thousand hours of service annually. The Organization automatically contributes 2% of the base salary and 50% of an employee's contribution up to 2%. Contributions by the organization vest 100% after three years of service. Pension expense was \$156,057 and \$177,020 for the years ended June 30, 2025 and 2024, respectively.

**9. Income Taxes**

The Organization, a Connecticut nonprofit corporation, is exempt from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code) and has been recognized by the Internal Revenue Service (IRS) as an organization generally exempt from income taxes on related income pursuant to Section 501(a) of the Code. The Organization has no unrecognized tax benefits at June 30, 2025.

If the Organization was to incur unrelated business income taxes, it would recognize interest and penalties associated with any tax matters as part of the income tax provision and include accrued interest and penalties with the related tax liability in the statements of financial position.

**10. Concentrations**

The Organization maintains its cash and cash equivalents at several financial institutions. Accounts at each institution are insured up to \$250,000 by the Federal Deposit Insurance Corporation (FDIC). Additionally, the Organization maintains investment accounts with an investment firm that is covered by Securities Investor Protection Corporation (SIPC) insurance.

**11. Liquidity and Availability of Financial Assets**

The Organization regularly monitors liquidity required to meet its operating needs, while also striving to maximize the investment of its available funds. The Organization has various sources of liquidity at its disposal, including cash and cash equivalents, marketable equity securities and receivables. For purposes of analyzing resources available to meet general expenditures over a 12-month period, the Organization considers all expenditures related to its ongoing activities of providing services for children and community as well as services undertaken to support those activities to be general expenditures. In addition to financial assets available to meet general expenditures over the next 12 months, the Organization anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

Kids In Crisis, Inc.  
Notes to Financial Statements (continued)

**11. Liquidity and Availability of Financial Assets (continued)**

As of June 30, the Organization's financial assets were as follows:

	<b>2025</b>	<b>2024</b>
Cash and cash equivalents	\$ 1,517,063	\$ 1,705,682
Investments	9,371,976	8,467,229
Grants receivable	428,292	338,608
Promises to give	136,773	220,396
Subtotal of financial assets at year end	<u>11,454,104</u>	<u>10,731,915</u>
Less: amounts with limits on usage:		
Net assets with donor restrictions	(4,189,557)	(4,080,050)
Total financial assets available for general use within one year	<u>\$ 7,264,547</u>	<u>\$ 6,651,865</u>

As part of the Organization's liquidity management plan, the Organization invests cash in excess of daily requirements in money market funds.

**12. Subsequent Events**

Management has evaluated subsequent events through November 13, 2025, the date the financial statements were available to be issued. Through that date, there were no material events that would require recognition or additional disclosure in the financial statements.

**Reports in Accordance with *Government Auditing Standards*  
And the Uniform Guidance for Federal Audits**

Independent Auditors' Report  
On Internal Control over Financial Reporting  
and on Compliance and Other Matters Based on an Audit  
of Financial Statements Performed in Accordance with  
*Government Auditing Standards*

To the Board of Directors of  
Kids In Crisis, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Kids In Crisis, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2025, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 13, 2025.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Kids In Crisis, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Kids In Crisis, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Kids In Crisis, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Independent Auditors' Report  
On Internal Control over Financial Reporting  
and on Compliance and Other Matters Based on an Audit  
of Financial Statements Performed in Accordance with  
*Government Auditing Standards (continued)*

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether on Kids In Crisis, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported *under Government Auditing Standards*.

**Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## Independent Auditors' Report on Compliance for each Major Program; Report on Internal Control over Compliance and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

To the Board of Directors  
Kids In Crisis, Inc.

### **Report on Compliance for Each Major Federal Program**

#### ***Opinion on Each Major Federal Program***

We have audited Kids In Crisis, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Kids In Crisis, Inc.'s major federal programs for the year ended June 30, 2025. Kids In Crisis, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Kids In Crisis, Inc. complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2025.

#### ***Basis for Qualified and Unmodified Opinions***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements*, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Kids In Crisis, Inc.'s and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Kids In Crisis, Inc.'s compliance with the compliance requirements referred to above.

#### ***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Kids In Crisis, Inc.'s federal programs.

## Independent Auditors' Report on Compliance for each Major Program; Report on Internal Control over Compliance and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance (continued)

### *Auditor's Responsibilities for the Audit of Compliance*

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Kids In Crisis, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Kids In Crisis, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Kids In Crisis, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Kids In Crisis, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Kids In Crisis, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## Independent Auditors' Report on Compliance for each Major Program; Report on Internal Control over Compliance and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance (continued)

### ***Other Matters***

*Government Auditing Standards* requires the auditor to perform limited procedures on Kids In Crisis, Inc.'s response to the noncompliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. Kids In Crisis, Inc.'s response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

### **Report on Internal Control over Compliance**

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be a significant deficiency.

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

*A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2025-001 to be a significant deficiency.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

*Government Auditing Standards* requires the auditor to perform limited procedures on Kids In Crisis, Inc.'s response to the internal control over compliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. Kids In Crisis, Inc.'s response was not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the response.

Independent Auditors' Report on Compliance for each Major Program; Report on Internal Control over Compliance and Report on the Schedule of Expenditures of Federal Awards Required by the Uniform Guidance (continued)

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Kids In Crisis, Inc.  
Notes to the Schedule of Expenditure of Federal Awards  
For the Year Ended June 30, 2025

**1. Basis of Presentation**

The accompanying schedule of expenditures of federal awards (the Schedule) includes the federal grant activity of the Organization under programs of the federal government for the year ended June 30, 2025. The information in this Schedule is presented in accordance with the requirements of *Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

**2. Summary of Significant Accounting Policies**

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Organization has elected to use the 10% de minimis cost rate. Pass-through entity identifying numbers are presented where available.

Kids In Crisis, Inc.  
Schedule of Findings and Questioned Costs  
For the Fiscal Year Ended June 30, 2025

**I. Summary of Auditors' Results**

*Financial Statements*

Type of auditors' report issued:	<u>Unmodified</u>	
Internal control over financial reporting:		
Material weakness(es) identified?	___yes	<u>X</u> no
Significant deficiency(ies) identified that are not considered to be material weaknesses?	___yes	<u>X</u> none reported
Noncompliance material to financial statements noted?	___yes	<u>X</u> no

Auditee qualified as low-risk auditee?		<u>X</u> yes    ___no

Kids In Crisis, Inc.  
Schedule of Findings and Questioned Costs (continued)  
For the Fiscal Year Ended June 30, 2025

**II. Findings and Questioned Costs- Major Federal Awards Program Audit**

**2025-001** Types of Services and Costs Allowed or Disallowed

**Program:** Unaccompanied Alien Children Program

**Criteria:** Funds may only be used for activities and categories listed in the approved budget to provide temporary shelter and other child welfare-related services for the care of an unaccompanied child.

**Condition:** There was one payroll expenditure out of twenty-five tested noted to have an exception.

**Questioned Costs:** Immaterial. Management did not request funding for the overpayment amount to employee.

**Context:** For one pay period, the salary for an employee who is charged to the grant was overpaid by \$6,823. While evidence of review of the payroll in question was obtained, the issue was not identified during the review process.

**Cause:** Instead of recording a \$275 total payment for on call time, there were 275 hours recorded which resulted in an overpayment of salary.

**Recommendation:** The Organization should ensure that payroll being charged to the grant is thoroughly reviewed prior to processing.

**Views of Responsible Officials and Planned Corrective Action:** Management concurs with the finding and notes that the Organization has increased the controls to ensure that appropriate review of payroll expenses occurs. The Organization never benefited from the erroneous charge to the grant as the overpayment issue was resolved and adjusted prior to the final accounting to the Department of Health and Human Services. The final drawdown request for the grant year also reflected the correct expenditures after removal of the overpayment.

**III. Prior Year Findings and Questioned Costs- Major Federal Awards Program Audit**

None.
